

Hey, we just wanted to take the time out to tell you how happy we as a Family are with the pup you allowed us to adopt, she's a great new family member, she took to us all right away, loves playing outside with the kids, 2 and 4 years old, seems to be protective over them in a short time. She's great with other dogs and is awesome when we go for family walks in the bush, she's smart and obedient, comes back with ever call, she doesn't leave the yard, what great dog and we can't thank you enough for her, here are some pics of her with Zoey and Abby, Jackson, Zoey and Abby as well as me too, we would like to drop off some things to you to help, you girls are doing amazing things and we want to help you keep doing this plz just let us know what kind of things we can stop by and drop off.
