

“I picked Apollo up ten years ago at your shelter. He was the best dog a guy could have! I chose to adopt because I believe every rescue deserves a home, and when I met him at the shelter I just knew he was the one. He loved to be at my house on the lake, he loved his stuffed animals, slippers, pillows, and walks. He was the best companion a guy could ask for, so thank you for having him there so I was able to meet him. ❤️”
