

We adopted Beta many moons ago from the humane society and lost her suddenly yesturday! Beta was certainly one of a kind! Nothing could stop that dog she lived life to the fullest! If you want to live a life of pure happiness and joy then please use Beta as your role model. She laughed with her tail! We will miss her, there is an empty spot in our hearts! August 2005 - Nov 25 2016
