

Hello

I adopted Larry on October 3, 2016. Back in July of 2016 he was shaved and had a grumpy look to him which made me giggle when I saw him in the pet store. I thought this guy has a good personality even though it may not appear that way and I was intrigued by him. Well then came along October and I couldn't believe he was still at the pet store. I went in to pet him and see how he was. A sweetheart of course, like I had thought. I brought him home. The staff at the pet store were in tears because they loved him. I told them he'd be treated like a king. So now I have two rescues who were not kittens, who I love! I hope that more people realize that older rescue pets make the best pets. Here are a few pics of Larry and another with his brother Ledger. (adopted in 2014) You all have the hardest jobs out there! Thank you for all that you do for these animals.
