

Hello,

I wanted to share with you our story. We adopted "Megs" from you 14 years ago. I'm sure you won't remember her since you have so many dogs that pass through your care. We recently had to put her to sleep. It was so, so sad for all of us but we could not let her suffer. Megs was 15, she had an amazing life with us, went camp all the time, had 2 kids, a mom and dad who loved her unconditionally. She was the best dog ever, so sweet, obedient and protective when she felt she should be. Anyway, I just wanted you to know that she had the best life and was so loved. Thank-you for what you do!

Here's a pic of when we first adopted her til just recently <3
