

We adopted Ranger May 2016. He blended from the moment we walked in the house. Cats love him and my Jack, Sam, loves him. I did some research on Beagles and wasn't sure if I was up for the challenge. He surprised us greatly when we discovered he won't leave the yard and follows commands very well. He has discovered my Reiki bed and spends a lot of time sleeping on it. Loves the good vibes !! He is a true blessing to us and I couldn't imagine my life without him now.
