

Rowan is the sweetest cat ever.  
He purrs like a chevy engine.  
He is so affectionate and playful and curious and mischievous.  
He cuddles up with me every night.  
His tail is weirdly bushy and long like a lynx or mancoon  
love the markings on his legs. he loves to bond with any visitors. he will sit in their lap.  
He talks to me every time he poops in the litter box. I have to clean it.  
I am blessed to live with him.
