

Hello and Merry Christmas! I want to thank you all at the Sault Ste Marie Humane Society for introducing me to my best friend Shadow 10 years ago 2006. He was 7 years old at the time. It was love at first site. Shadow was my soul dog and we walked many trails, and swam through some gorgeous lakes together. Shadow brought joy to every person he met along the way with his gentle demeanor. I loved him with all my heart. Shadow just passed away peacefully in our home and he is sadly missed. Thank you again for all the wonderful things you do there.
