

“I’d like to share a "Happy Tail" but with a rainbow bridge ending. 🌈

I adopted Thor in 2013 from the SSM Humane Society. We immigrated together to the USA where we lived in Kodiak Alaska, from there we moved to Michigan, Illinois , Missouri and Colorado. He lived a very full life of happiness - he and I did everything together for many years.

He passed away in Colorado on Jan 28th 2025. Thor loved snow, toys, his family, hiking in the mountains of Alaska or Colorado, and camping.

I’d like to thank you all for giving me the best friend whom I loved very much.”
